HISTORY

In November, 1922, Mr. M. L. Orr, Director of Training School, Montevallo, Alabama, suggested in conversation with Dr. Carmichael the need of a Girls' Basket Ball Tournament for Alabama, based on his experience in high school work in the State. The idea seemed an excellent one, so the matter was taken up by Dr. Carmichael with Miss Funk, Head of Physical Education Department of Alabama College. She suggested that Miss Minnie Sellers, who had been working on a girls' basket ball association, would be pleased with the idea and would be glad to co-operate in the plans. Dr. Carmichael then got in touch with Miss Sellers and found her most anxious to try out the plan.

It was decided to invite the high school teams from over the State to come to Montevallo for a three days' tournament. The State was divided into twenty sections, two in each Congressional District.

The response from over the State was beyond the expectations of the most optimistic. It was difficult to arrange for elimination contests in all the districts. The result was, instead of twenty teams coming to Montevallo, there were twenty-seven present for the first State Girls' Tournament ever held in Alabama.

At this time a temporary Girls' Athletic Association was formed with Miss Minnie Sellers as its President. At the meeting of the Alabama Education Association the following spring, she was elected permanent President and served two years in this capacity. At the Alabama Education Association in Mobile, April, 1925, it was decided that the Alabama High School Athletic Association would take over the Girls' Athletics in the State. Consequently the basket ball tournament will be conducted this year as in the past two years under the direction of the State High School Association.

In the fall of 1923, it was decided to extend the contest idea beyond the basket ball to other fields of high school activity. The high schools were accordingly invited to send exhibits of their work in clothing (Home Economics Department) and in Art. At the same time, students taking expression in the high schools were invited to compete in a State Declamation Contest. There were twelve high schools who sent exhibits in Home Economics and seven in Art, while sixteen schools sent two representatives each for declamation.

In 1925 a contest in music was added. This embraced piano, voice, and violin. In addition to the fourteen schools taking part in the Declamation Contests in 1925, fourteen sent Home Economics exhibits, eight were represented by Art Exhibits, and fourteen sent representatives to take part in the music contests. Twenty teams played in the tournament.

RULES AND REGULATIONS GOVERNING CONTESTS

BASKET BALL TOURNAMENT

The constitution and by-laws of the Alabama High School Athletic Association contain the regulations governing the Basket Ball Tournament. For information write William J. Baird, President, Boyles, Alabama.

SPEECH CONTEST

A widespread interest has been manifested in this department of the contests, which has made it possible to enlarge the entrance classification. The first year Expression as set forth in readings was the only type admitted. The last two years the work has extended to include oration. This year another addition will be made, that of debate.

Regulations governing entrance to the Speech Contest are as follows:

1. Contests will consist of three sections—
 - a—Platform readings, dramatic or humorous
 - b—Orations
 - c—Debate
2. Each school will be allowed one contestant in readings, either humorous or dramatic; one contestant in oration; and two teams in debate, one negative and one affirmative.

Rules specifically governing Reading and Oration Contests:

1. Selections must be given from memory.
2. (a) Reading must not exceed twelve minutes.
(b) Orations must not exceed ten minutes.
3. Send name of selection together with name of contestant to the chairman of this department by March 1st.
4. Preliminary hearings will be held the first two days of the tournament when two of each type of contest will be chosen to compete again in the evening of the second day for first places.
5. No award will be given unless the work merits it.
6. Selections will be judged on diction, articulation, pronunciation, platform ease and poise, delivery and interpretation.
7. All contestants must be regularly enrolled high school students pursuing a course toward graduation. Contest selections are left to the contestants. If there is any difficulty encountered in securing a selection the following companies may be of assistance:

Ivan Bloom Hardin Manuscript Company,
3806 Cottage Grove Avenue, Des Moines, Iowa

or

Frances Reeves Manuscript Library
1064 Johnson Street, Elmira, New York

Rules governing debate:

1. Two girls are allowed to a team.
2. Each entering school must send an affirmative team and also a negative team.
3. Speeches must not be read.
4. Speeches must not exceed ten minutes, except in the case of the first affirmative speech which may be two minutes longer for history and introductory matter.
5. Each speaker may have a three-minute refutation speech.
6. Name of school entering must be sent in to the chairman of this department by February 1st.
7. The subject for debate this year will be: "Resolved, That There Should Be a Federal Department of Education on a Par with Other Departments of Government, the Secretary of Which Would be of Equal Rank with the Other Members of the President's Cabinet."
8. It is the desire of the chairman of this department to conduct round table discussions during the meet for the purpose of developing speech work in our high schools. A faculty representation from each school is invited to attend. The more schools represented the better can be the meetings. A full representation is desired.

PRIZES OFFERED

A fifty dollar scholarship in Expression at Alabama College will be given the winners of the Reading and the Oration Contests. A cup will be awarded the winning team in debate.

MUSIC CONTEST

The following rules and regulations will be adhered to in the Music contest to be held at Montevallo, March 1-3, 1928:

ELIGIBILITY: Entrants in these contests must be regularly enrolled undergraduate students in a high school in the State of Alabama and must be pursuing successfully three standard high school subjects. No person more than twenty-one years of age at the time of the contest may compete. High School students who have enrolled in the School of Music at Alabama College are not eligible to enter these contests. Two pupils from each school may enter the contests in Piano; two in Voice, and two in Violin, provided the total number of students in any one school desiring to enter does not exceed four. In other words, if the three subjects are

represented in the high school, only one each may come for the contest if only two, then two from each of those may be sent.

ENTRY: Application to enter these contests must be made on or before February 15, on the official entry blank, copies of which will be sent to the school authorities or will be furnished on application to Mr. M. Orr, General Chairman.

NATURE OF CONTESTS: *In all contests there is specified a contest selection to be performed, and in addition, each contestant performs also a selection of her own choice.* All selections must be performed from memory, and each contestant in Voice or Violin must bring her own accompanist. Under no condition will an accompanist be supplied at the scene of the contest.

PRELIMINARIES: There are no county or district preliminaries for these contestants. Each high school is requested to hold a local elimination contest in case more than four students are desirous of entering the contest. During the Inter-Scholastic Meet, if the number of entrants in a contest necessitates it, elimination preliminaries in the several groups will be held and the winners from each group then participate in the final contest.

JUDGING: Contestants shall be designated and graded by number only and their order of appearance in the contest shall be determined by lot. There shall be three judges in each contest.

PIANO, VIOLIN, AND VOICE CONTESTS

In addition to the general rules stated above note the following:

The time required for the performance of the contestant's own selection must not exceed five minutes. If the selection exceeds this time limit contestants will be disqualified. The points of judging in the piano contest are: tone, technique, clearness with reference to finger work and pedalling, phrasing, interpretation, selection of composition, and stage presence. In the violin contest; tone, intonation, technique, phrasing, interpretation, stage presence and selection of composition. PRIZE WINNERS FOR 1923, 1924, 1925, 1926, 1927

BASKET BALL

There were twenty-seven teams on hand for the first State High School Girls' Tournament, which was held at Montevallo in 1923. This meant that many elimination games, which should have been played before reaching Montevallo, had to be staged here. The result was a strenuous three days for those teams that were required to play off the elimination games.

District winners were decided the first day.

After the first two days of the tournament, three teams were left in the field, Selma, Prattville, and Atmore High Schools.

After a very close, hard game, Selma High School finally won the victory, thus winning the handsome loving cup, given by the Birmingham

News for the champion team in the first State Girls' Meet ever held in Alabama. Miss Lottie Bussey was the coach for Selma.

Dr. Frank Willis Barnett, besides being orator on Washington Birthday, was chosen to present this trophy on behalf of Mr. Hanson and the Birmingham News to the champion. This he did in his own inimitable style.

In 1924 there were ninety girls' teams enrolled in the Alabama Girls' Basket Ball Association. After the elimination games were played in the State sixteen teams were selected to come to Montevallo for the second Girls' Basket Ball Tournament.

During the first day the preliminaries resulted in the selection of the district champions.

During the second day the district winners played each other, resulting in the elimination of all teams except Ramer and Lincoln. The final game was played on the morning of the third day with much zest and skill. Both teams acquitted themselves admirably in the strenuous game. The laurels went to Ramer. Score: Ramer 26, Lincoln 22. Miss Minnie Sellers was coach for Ramer.

In 1925 one hundred twenty-five schools were enrolled in the Girls' Basket Ball Association. The twenty schools winning the preliminaries came to Montevallo.

The teams reaching the semi-finals were Jones Mill, Snead Seminary, Ramer and Marion. Jones Mill won over Snead Seminary by a score of 35 to 11. Ramer won over Marion by a score of 46 to 22.

The final contest was a very close game between Ramer and Jones Mill, resulting in Jones Mill winning by a narrow margin. The Birmingham News loving cup therefore went to Jones Mill.

In 1926 a large number of teams competed in the district contest. The sixteen teams winning the preliminaries were as follows: Langdale, Wetumpka, Sidney Lanier, Ohatchie, Anniston, Geraldine, Town Creek, Snead, Guin, Jones Mill, Troy, Barton, Mortimer Jordan, Dothan, Oak Grove, and Selma.

The teams reaching the semi-finals were Ohatchie and Geraldine, Jones Mill and Mortimer Jordan. Ohatchie won over Geraldine by a score of 36 to 24. Jones Mill won over Mortimer Jordan by a score of 22 to 13.

The final contest was a very close game between Ohatchie and Jones Mill. Jones Mill won over Ohatchie by a score of 26 to 23.

In 1927 the following fifteen high schools winning the district preliminaries were represented at Montevallo: Selma, Geraldine, Chambers County, Sayre, Troy, Mobile, Ohatchie, Sulligent, Town Creek, Valley Head, Anniston, Dallas County, Jones Mill, Mortimer Jordan, Wetumpka.

The four teams reaching the semi-finals were Geraldine, Mobile, Jones Mill and Town Creek. Geraldine won over Mobile by a score of 0 to 12 and Jones Mill won over Town Creek by a score of 17 to 7.

In the finals Jones Mill won from Geraldine by a score of 22 to 17. By winning this year the Jones Mill teams accomplished the remarkable record of being awarded for three consecutive years the silver basket balls presented by the Birmingham News.

DECLAMATION

There were thirty-two contestants in the first declamation contest held at Montevallo, February 21-23, 1924. The elimination contest reduced this number to six. These six competed in a final recital in the college auditorium on the evening of February 22, 1924. The judges rendered first prize to Ruth Hill Carr, of Phillips High School and second prize to Jessie Crum of Jones Mill High School. The prizes were handsome gold medals presented by the Birmingham Age-Herald.

In 1925 twenty-eight contestants from fourteen schools entered the declamation contest at Montevallo. The first prize was won this year by Catherine Allen of Ensley High School and second prize by Rosalie Sloan of Blount County High School.
